THE OFFICIAL NEWSLETTER OF
HEROES UNITED GOLF SCRAMBLE LEAGUE

FALL 2022 SNEAK PEEK

Great news everyone! Fall 2022 is coming up soon. We've finalized golf courses and we're ready to tee off. We'll kick off the season on **August 27th at North Shore Golf Club in Lake Nona. This season we are starting early** in hopes that our travelers each round will have more time to join us for dinner and still have time to head home before it's too late! **We will register/meet up/warm up at 115 pm and tee off at 200 pm** and play 9 holes. After our first round we're heading to Giovanni's for dinner. Be on the lookout for another email with RSVP information this weekend and be sure to check out the website (www.heroesunitedgolf.org) with our latest information.

You'll find information on our new divisions in the Game On section. As stated before, we are restructuring our season fees in order to maintain the new courses and opportunities. **New members enrolling in the Fall 2022 season will now pay \$125. This fee applies to any new member not previously registered in a prior season.** This structure may continue to develop in the future so we can continue to sustain and prosper! To keep costs down we ask for YOUR help to find sponsors and fund raising.

And... a few more things to keep on the calendar: We have our Inaugural Heroes United Golf Tournament on Monday, December 5th. All the information to play and sponsor will be on our website in the next few days. Please share the link with everyone you know!! Volunteer opportunities to help us raise money by working concession stands at the LPGA Tournament of Champions January 19-22. Mark your calendars so we can ALL be there!

PERFORMANCE ZONE

Coach Matt's Golf Tips!

If you haven't had a chance to get out or practice since last season, remember to take it slow the next time you go to the range. For example, with a bucket of 30 range balls, hit the first ten as half swings to get loose, then increase your backswing and speed each time after. This helps prevent injuries and pulled muscles before you start your round.

GRIT

Sports Psych is where it's at!
