THE OFFICIAL NEWSLETTER OF
HEROES UNITED GOLF SCRAMBLE LEAGUE

2023 Has Finally Arrived

Welcome to a new year, a new season with Heroes United Golf. When we wrapped up 2022 we had a fantastic tournament at Kissimmee Bay Country Club, started the beginnings on our first video, and were about to host the very first Winter Tournament that turned out to be an amazing fundraiser! Since then the Heroes United Golf Board of Directors voted in a new member, tirelessly worked on creating new sponsorship partnerships like our new one with KPMG and our continuing relationship with Amazon Warriors. With all of this we have one more partnership to share and that's our work with the Paralyzed Veterans of America Central Florida Chapter. In this partnership they are graciously allowing us to use one of their SoloRiders this season which allows one of our players to continue to golf even with their physical challenges. To say we are grateful for this partnership is an understatement!

Throughout these next pages you'll see what you have to look forward to this season. A few new courses, a variety of scoring methods and even a change up from foursome to twosome groups every once in awhile. Our aim this season is to keep the challenges coming, keep the fun going, and to give you ample opportunities to showcase your skills. So, mark your calendars, get your clubs ready, and get yourself ready for a FANTASTIC season.

We hope you're just as excited as we are to see you this coming Saturday at Rio Pinar. One more thing... when we were thinking about each and every one of you we realized something. Our players come for the golf, and yet you stay for the family. Here's to another year of our Heroes Family!

PERFORMANCE ZONE

Coach Matt's Golf Tips!

Time to tee it up again! Did you know the height that you tee up the golf ball can make a big difference in your ball flight? Not only can it create more height or less, but it can also help shape the ball from right to left or left to right. Try practicing different heights of your tee shot to see what kinds of results you get.
