THE OFFICIAL NEWSLETTER OF HEROES UNITED GOLF SCRAMBLE LEAGUE

Round 6 at Duran

We opened the round with a special guest speaker, Jeff Turner. The PGA Pro had super tips and advice on how to adapt your golf game to your body. His training as an adaptive golf teacher could be crucial to your game. I've included his business card on the next page, so please reach out if you're interested in learning more. Paulie has already adjusted his clubs and we can't wait to see his game! Speaking of the game, Chuck, Jen, Paulie, and Leroy's group all hit the green on #2. Jeff Bartrom started his group off with a birdie. We loved hosting John DeMauro the Executive Director of Paralyzed Veterans of America Central Florida Chapter. With his help we've created a fantastic partnership and we're so grateful for the use of their Solo Rider allowing our players an adaptive approach to golf!

In other news, we'll be seeing some of you for the Heroes Cup versus the Wounded Warrior Project on April 29th at Rio Pinar very soon. Please plan to arrive by 115 pm, we tee off at 2pm sharp. We will have an overall organization winner for the tournament, and we will have prizes for the first place foursome and closest to the pin. A banquet will be held immediately afterwards at Rio Pinar, so plan to stay for the fun and get a chance to meet the WWP players.

We're also looking for volunteers. Want to give back to Heroes United Golf? We need someone to sit at a table at the PVA Central Florida Chapter's golf tournament on May 6th at Red Tail Golf Club. Have some time available on that Saturday where you could talk to players about our League and share your experiences? Reach out to Holley if you're available!
