THE OFFICIAL NEWSLETTER OF HEROES UNITED GOLF SCRAMBLE LEAGUE

Round 7: Heroes Cup at Rio Pinar

Cheers to our very FIRST Heroes Cup- a competition between Heroes United Golf and the Wounded Warrior Project. While of course Florida had to offer up some crazy weather and many of our Wounded Warrior partners couldn't make it out we made the very best of the Saturday afternoon. We teed off on time and headed out for 9 holes (some were able to get in more than that). Jeff B dropped a bomb onto the #5 green, Matt and John B both hit bombs from the #6 tee box, and Mike bladed an iron into a bunker and right out onto the green where he landed 10 feet from the pin on #11. Some crazy shots as we were driving around! All in all it was a good race, but Wounded Warrior came out on top as the first Champions of the Heroes Cup!

Let's talk points... we're officially more than halfway through the season. Points are building!! Be sure to check out the standings on the following pages. We took points for the veterans/first-responder groups; however we did not take points for the supporters since not everyone could participate. Just to be clear, the only points from Heroes Cup went to the veterans and first-responder group.

As a little way to build excitement you should know there is a BIG prize for the League winner thanks to White Claw's donation. Prizes are a bit different this season... Everyone will get an awesome Heroes United Golf prize, and then special prizes will be awarded to overall 2023 League top 5 vets and first-responders and top 3 for supporters. We'll also give out prizes to the Championship winning foursome, Championship Closest to the Pin (2), and Championship Straightest Drive. All that to say, keep playing and earning those points!
