THE OFFICIAL NEWSLETTER OF
HEROES UNITED GOLF SCRAMBLE LEAGUE

Round 8 at Celebration

Time to skip right on to page 3 of this newsletter and see the new rankings. If you miss a round you could lose your place in the rankings because everyone is moving up! Closest to the pin is another BIG way to add on more points. This all means that the finale could have some crazy moves in the standings since it's DOUBLE the points for the round, closest to the pin and straightest drive. This season is far from over, so be sure to come out whenever you can! Round 8 winners were Chuck B, Mike S, Clint L, and Jeff N. Closest to the pin winners were Eddie and JJ.

Next up we're headed to Shingle Creek on June 10th. We will check in/warm up starting at 3 and we tee off at 4 pm. The summer days are longer and hopefully this later time will be cooler temps for us!

In other news... we have several players who can't attend different rounds because of fun things but also because of life events and medical situations. Please know you're never alone and if you ever need help you have your golf family here to help! And, if you ever reach a time where coming out feels difficult please know it could be the exact time you need the support of your golf family. We're here to help you celebrate life and pick you up when it gets hard. Wishing you and yours all the best, always!

See you at Shingle Creek on June 10th!

Coach Matt's Golf Tips!

Arriving at the course one hour before your tee time helps allow for a full warm up, which should include: stretching, putting, chipping/pitching and full swings. Spread your time out between each to ensure you're fully prepared to play your best.

GRIT

Sports Psych is where it's at!

I'm curious about something. When you wake up the morning I can almost bet that do something similar each day.

What about before golf? Do YOU have a pre-round warm up habit? Creating a routine that puts you in the head space to concentrate on golf also helps your body get in the physical space. I challenge you to think of two or three things you could do before each round to get you mentally and physically ready to golf. (PS- Matt and I had no idea we were going to write about the same topic. Great minds!

Thank YOU

We are a success thanks to the contributions of businesses, friends, and families!
